

## Women's Events

### Save the dates

#### First Monday of every month

Monthly events will begin online in July solely for women and I do hope that you will all join in, as they are going to be fun and friendly. The first event will be IMP pairs (that is like teams scoring if you're not sure 😊) but if it is successful, it may vary into Swiss teams (5 x 5 board matches) in the future.

It will take place on Realbridge and the link will be on this website shortly, but separate emails have been sent to all the women on my list – please let me know if you wish to be included in that. If there is enough interest we may go through the hands afterwards on Zoom. You don't have Zoom? You haven't played on Realbridge? – Just let me know and I will sort it, as it really is worth it.

Please read the Newsletter for more information, as there is training material available, International practice competitions, the possibility of obtaining mentors and more. We want to improve the standard of women's bridge and to rally you altogether to participate in more events. We also need two teams for next year.....

There are signs that a face to face women's weekend may be a possibility, but currently this is the next best thing (Personally I think a glass of prosecco during the last four boards should be obligatory but that's just me haha 😊) Let me know if you are going to join in, but you can just turn up of course.
