

Celtic Congress 2022 – International Bridge Excellence Ltd

The West Wales Bridge Association invites you to join us for this Green Pointed event which is open to all and will be held on BBO as a Swiss Pairs on the Saturday and a Swiss Teams on the Sunday. The chief Tournament Director is our own Sarah Amos working with International Bridge Excellence (IBEX).

The event is being staged online this year because we are not fully out of the pandemic yet, and the Fishguard Bay Hotel which was our regular venue, has now closed. As it is online, it will be much easier to take part wherever you are, and we hope that our friends in Ireland will be interested, as well as throughout Wales and beyond.
