

Kay Murphy

It is with sadness that I report the death of Kay Murphy. Kay was a great supporter of the NIBU over many years. She served as Chairman and played several times in the Lady Milne with a few different partners. While she had not been able for our Union competitions in recent years she was always keen to hear how they were going.

I extend the condolences of the NIBU to Kay's three daughters and the extended family.

Heather Hill (Chairman)
