Hi Helen

We had a quiet weekend on the TD front (one opening lead poll on Friday night and two revokes and a lead out of turn on Sat and Sun).

When players know they are playing in a first class venue and being treated to VIP hospitality with all their comfort needs being met throughout the weekend - and all this coupled with a good TD team, top notch vugraph and state of the art live scoring - the players tend to know that they will have nothing to complain about and so they relax and concentrate on playing good bridge.

My personal thanks to Helen, Anne, Sandie, Liz, Shireen, Andy and Brian and your NIBU team for helping us all over the weekend.

I can safely say that this was the best organised Camrose that I've ever attended and BGB would do well to showcase this NIBU performance as their 'model of best practice' for other NBOs to follow.

Happy New Year,

Fearghal
